Letter Application for Adjournment of Conference

Dear Judge Brown:

We serve as General Counsel to the defendants MLD Mortgage, Inc., and Lawrence Dear and write this letter pursuant to the Court's rules to request an adjournment of the conference scheduled for June 14, 2017 to **June 28, 2017**.

This adjournment is requested due to the undersigned not being admitted to practice in the Eastern District of New York and the defendants, therefore, needing to obtain new local counsel. Counsel that the defendants had originally sought to retain, unfortunately has a conflict. As such, the necessity for this application is made on consent with plaintiffs' attorney.

Respectfully submitted,

KREINER & KREINER LLC
